Dear Colleagues and Business Partners

**Caribbean Association of Indigenous Banks Inc.
35th Annual General Meeting and Conference, November 16 – 20, 2008
Sherbourne Conference Centre, BARBADOS**

We are delighted to invite you to the 35th Annual General Meeting and Conference of Caribbean Association of Indigenous Banks Inc (CAIB), to be held from Sunday, **November 16, 2008 to Thursday, November 20, 2008**, at the Sherbourne Conference Centre in Barbados.

Now in its 35th year, CAIB's Conference serves as the premier platform in the Caribbean for discussing the opportunities and challenges facing Caribbean financial institutions, as they carry out their mandate to provide banking and financial services par excellence to the people of the Caribbean and the wider diaspora.

For this year's Conference, the theme "***Safeguarding our Future in the Face of Global Economic Challenges***" will see us identify and explore opportunities for the region's continued growth and development within the context of the global banking and financial services environment. Sub themes include: "***Turbulence of World Financial Markets: Impact on and Opportunities for the Caribbean Financial Sector***" and "***Building our Capacity to Capitalise on Regional Cross Borders and Global Financial Opportunities.***"

Now an annual event, the Pre-Conference Training will be under the theme "***Enterprise Risk Management (ERM)***" and will endeavour to explore this critical issue and its growing importance to the banking and financial services sector. We are indeed pleased to announce our partnership with *Professional Risk Managers' International Association (PRMIA)* in this regard.

As is customary, a distinguished panel of speakers has been carefully selected to provide current thought-leadership and solutions on the theme within the context of the rapidly changing global financial markets. The Conference will also play host to several key exhibitors who will be on hand to showcase and offer live demonstrations of current and imminent cutting-edge technological advancements and share business solutions for addressing customer needs.

Each year CAIB's Conference culminates with a much-enjoyed day of networking and relaxation, and this year is no exception. Barbados provides a myriad of activities and attractions from which we have selected some of the most alluring to serve as the backdrop for the cementing of relationships forged and/or renewed by delegates during the hectic formal sessions. These include a visit to the intriguing Harrison's Cave, one of Barbados' most famous natural attractions, followed by a Catamaran Cruise along the western coastline of the island.
