

## Savannah

Truly a complementary blend of the traditional and the modern, the Savannah is the most prestigious of the Gems. From here, a world apart, one is just ten minutes away from down town Bridgetown and twenty-five minutes from the International Airport.

Boasting a beachfront location, the Savannah also offers its guest the choice between two fresh water pools, one of which meanders through the length of the dramatic setting of the new wing. Together with the fitness and beauty facilities for both women and men, Swedish massage, facials, manicures and pedicures, help ensure a leisurely pampering experience. Two restaurants offer a delightful mix of Caribbean and International cuisine and three bars, including the ever-popular 'swim-up' bar mix exotic tropical cocktails. Nightly local entertainment (including weekly Managers' Cocktail Parties) add sparkle to one of the finest holiday experiences that guests can expect on the South Coast of Barbados.
